

WHEN...?

Moses Olayinka Akintunde

Technical rider - performance *When...?*

***When...?* is a solo dance performance by Moses Olayinka Akintunde.**

Running time: 13 minutes

Requirements:

- **Stage:** 6m (depth) x 10m (width). Can be adapted with a common agreement.
- **Floor:** black marley. Color can differ, please confirm with us.
- **Lights:** Side lights (floor/90cm/180cm), stage left and stage right, with a number of booms adapted to the depth of the stage. Frontal light. Color filters: warm white
- **Curtains:** wings to be confirmed; clear backdrop of wall (videoprojection, see hereafter).
- **Sound:** FOH and monitor boxes with a good level of bass; computer to display the sound and video. Company provides the sound track as a sound file on the video (see hereafter). Sound runs without any cue.
- **Video:** Please provide an adapted video beamer and a backdrop where the video can be projected on. Video contains the subtitles of the performance.
- **Dressing room:** for one dancer, with light catering, still water, fruit juices; shower, towel, soap.
- **Required tech personal:** sound, light and video manager for set up, rehearsal, performance and load out. 3 shifts à 4 hours for focus/video test/sound check ; rehearsal; performance. Shared program possible.
